TECHNICAL SKILLS

Languages: Ruby, HTML, CSS, JavaScript
Databases: SQL, PostgreSQL
Software/Tools: Rails, RSpec, JQuery, Capybara, React.js, Foundation, GitHub, External/RESTful API

PROJECTS

(In Progress)DnD Planner: greylockdnd.herokuapp.com, github.com/K9Advantix53/DnD
- Tracks DnD game sessions which uses dnd5eapi.co for game data (items, spells, monsters, etc.)
- Frontend rendered in React with a Rails backend for persisting character data
- Features facebook omniauth, React search engine, React loaders, RESTful Rails API, data-fetching from dnd5eapi.co

(Launch Academy) Synapse: *synapse-coder.herokuapp.com, github.com/K9Advantix53/synapse-connection*
- Allows users to create various coding projects and join posted projects as collaborators
- Built with React on Rails, using Rails for backend logic, a Postgres database, and React for most views
- Features include a custom React search engine, live chat via ActionCable, and the Google Maps API to provide location information

PROFESSIONAL EXPERIENCE

Evil Overlord Games   Boston, MA
Frontend & UI/UX Developer   *August 2017 - Present*
- Worked on frontend development of a text-based web game.
- Developed on a Django Python backend with a PostgreSQL database. Used JQuery extensively.
- Designed and developed menu UI, landing page, as well as in-game store page.

Launch Academy   Boston, MA
Junior Full-Stack Web Developer   *March 2017 - May 2017*
- Completed 10-week immersive bootcamp to develop critical, applicable programming skills and become an active contributor of a software engineering team
- Developed proficiency in pair programming and test-driven development (TDD)
- Worked with different test suites and gems, including RSpec, Capybara, and FactoryGirl

Compass Education   Chestnut Hill, MA
Private Curriculum Tutor   *January 2015 - March 2017*
- Helped students with varying degrees of learning difficulties learn core high school curriculum
- Gained experience working with different types of clients and learned how to break down information into creative, digestible parts suitable for each individual's learning style and needs
- Prepared lessons for independent study and accelerated students

Middlebury Interactive Languages   Colchester, VT
Head of Chinese Residential Educators   *May 2016 - July 2016*
- Worked with both the academic and residential staff to plan day-to-day activities
- Partnered with residential educators to strategize effective new teaching methods
